**REPORT AND RECOMMENDATION  
OF THE UNITED STATES MAGISTRATE JUDGE**

TO: THE HONORABLE LEE YEAKEL  
UNITED STATES DISTRICT JUDGE

The Magistrate Court submits this Report and Recommendation to the District Court pursuant to 28 U.S.C. § 636(b)(3). This case has been referred, by order of the District Court, to the United States Magistrate Judge for the taking of a felony guilty plea and the Federal Rule of Criminal Procedure Rule 11 Allocution. All parties executed a waiver of the right to plead guilty before a United States District Judge as well as a consent to proceed before a United States Magistrate Judge.

On May 12, 2008, the defendant and counsel appeared before the Magistrate Judge, who addressed the defendant personally in open court and informed the defendant of the admonishments under Rule 11 of the Federal Rules of Criminal Procedure and determined that the defendant was competent to plead guilty and fully understood said admonishments.

The defendant pled guilty (without a plea agreement) to the sole count of a one-count indictment, which alleges a violation of 8 U.S.C. § 1326 (illegal reentry after deportation). The Court explained to the defendant the recent changes in sentencing as a result of the Supreme Court's decisions in *United States v. Booker* and *United States v. Fanfan*, and advised the defendant that she could be sentenced within the full range permitted by the statute. The Court also explained that parole

had been abolished. The Court explained the range of punishment with regard to imprisonment, fines, restitution, supervised release, and the statutory fee assessment pursuant to the Victims of Crime Act. The Court also advised the defendant of all of her constitutional and statutory rights, including the right to proceed to trial, that at trial she would be presumed to be innocent, and that at trial she could remain silent without an inference of guilt. The defendant indicated that she understood all of her rights, understood the range of punishment applicable to the charge, and desired to plead guilty.

The Magistrate Judge finds the following:

- 1) The defendant, with the advice of her attorney, has consented orally and in writing to enter a guilty plea before the Magistrate Judge, subject to final approval and sentencing by the District Judge;
- 2) The defendant was competent to enter the plea of guilty, and had both a factual and rational understanding of the proceedings against him;
- 3) The defendant does not suffer from any physical or mental impairment that would affect her ability to fully understand the charges against her or the consequences of her plea;
- 4) The defendant has not had any injury that would affect her judgment in pleading guilty or that would affect her understanding of the basis, consequences, or effect of her plea;
- 5) The defendant was sane and mentally competent to stand trial for these proceedings;
- 6) The defendant was mentally competent to assist her attorney in the preparation and conduct of her defense;
- 7) The defendant fully understands the nature of the charges and penalties, and had the opportunity to discuss the charges and any defenses to those charges with her attorney;

8) The defendant understands that she has a right to a jury trial on the charges, at which she would be presumed to be innocent and would not have to establish her innocence, and she understands all of her constitutional and statutory rights related to the charge and wishes to waive those rights;

9) The government gave a summary of the evidence against the defendant, the material elements of which the defendant agreed to;

10) The defendant understood the status of the law on sentencing and that she could be sentenced within the full range permitted by the applicable statute;

11) The defendant is satisfied with her attorney's representation;

12) There is an adequate factual basis for this plea; and

13) The defendant's plea was made freely, voluntarily, and intelligently.

The Magistrate Court RECOMMENDS that the District Court accept the plea of guilty and, after reviewing the presentence investigation report, enter final judgment of guilt against the defendant.
